New Directions

- The feasibility planning for the CAPE mentoring programme commenced in October 2012. An exploratory session was held on November 14, 2012. This session defined the cross-cultural 'mentoring 360' model in which both employers and participating professionals are learners.
- A three way mechanism is integrated in this model to achieve:
 - Mentee to multiple mentors matching/access
 - Cross Learning Forums/events
 - IT supports to maintain communications history, derive frequently asked questions section from forums
- The first Mentoring360 session will be held on March 28, 2013 and has received a lot of interest.
- The next mentoring session will be held in 6 to 8 weeks so stay tuned for the registration announcement for this.
- If you are interested in participating in the future Mentoring360 sessions as a mentor or a mentee. Please contact us at info@capeinfo.ca
